

## HONOR CODE

- » I will commit to devote myself to growth in my personal life as I pursue a lifestyle of character, honor, truth, and love, as portrayed in the Bible. I will live in full responsibility for my actions and in a way that presents me as an example for others to follow.
- » I will desperately pursue to develop my relationship with God by seeking Him in earnest.
- » I will bring a servant heart to all tasks I perform, being the first in love and forgiveness as I seek to cultivate life-giving relationships and influence my community.
- » I will develop a wider scope of sight as I train my eyes to see the world from a God perspective. In my pursuit of becoming Christ-like, my vision will grow in a way that will change not only my life, but also my family, community, and generation!

## WHAT IS E.R.O.C.?

E.R.O.C is the student leadership program at Cathedral of Praise. Moreover, E.R.O.C is a journey that will take each and every student who participates on a life-changing adventure to desire more of God, more of themselves, and more of the world around them. **The aim of E.R.O.C is to develop a generation of leaders who are hungry and devoted to God.**

E.R.O.C is a commitment to excellence not only in character, but also in the students' pursuit of God. The commitment to excellence will challenge students to build every area of their life, striving to live a life that reflects Christ in body, soul, and spirit.

## WHAT WILL THE E.R.O.C. EXPERIENCE BE LIKE?

During your training at E.R.O.C, you will be engaged in various activities designed to help students grow in ministry, leadership, and your personal walk with the Lord. **Here are a few of the engaging and life-changing events that take place:**

- » Fasting Retreat
- » Programming with Pastor Mike Lewis
- » Teaching seminars led by the pastors of Cathedral of Praise
- » Programming and Leadership for Camp Go and Junior High Camp
- » Participation in, and production of, dramas for Fuel and weekend services
- » Morning devotions spent in desperate pursuit of God
- » A behind-the-scenes look at ministry

## IS E.R.O.C. FOR YOU?

E.R.O.C is not for everyone...

You must be a rising junior, senior, or just graduated and committed to six weeks of purposeful discipleship, leadership development, and ready for the adventure of a lifetime.

If you meet these requirements, then E.R.O.C is for you!

The only way of finding the limits of the possible is by going beyond them into the impossible.
